Dear Zonta Sisters,

Do you ever reflect on what difference your life is making in the lives of others? Do you wonder, "With all that's going on, how can what I do possibly make a difference in a world that seems to be spinning faster and faster with all of its problems, tragedies, scientific advancements, etc?"

Something I read on Facebook just a couple of days ago made me stop and realize that it doesn't always take a lot. "You may think that you are completely insignificant in this world. But someone drinks coffee from the favorite cup that you gave them. Someone hears a song on the radio that reminds them of you. Someone reads the book that you recommended and plunges headfirst into it. Someone smiles after a hard day's work because they remembered the joke that you told them today. Someone loves themselves a little bit more because you gave them a compliment. Never think that you have no influence whatsoever. Your trace, which you leave behind with every good deed, cannot be erased and lives on!" Author unknown.

With that said, I hope you will decide to continue making a difference in all your Zonta sisters' lives by getting together at our next meeting! Read on for some exciting news!

Yours in Zonta,

Karen Weinheimer, President ZCF

COMMITTEE CHAIRS

This year regardless of socially-distancing situations this by no means excuses us as a membership from continuing to give our support to our advocacies and performing service to our commitments in the community. The committee chairpersons are still looking at needing more volunteers on their committees. **EVERYONE should be on at least three committees.** If your name is only on the list once or twice, pick another committee to commit your time, energy, enthusiasm and ideas.

Is it FAIR that some members are doing double and triple duty while some are not? Well, every committee needs a phone-call person.

YOU CAN BE THAT PERSON!!!

The board has expressed interest in selling the cookbooks at different retailers on Main Street. If you have a relationship with any of the stores, let Karen know so she can put them on the list of places to ask.

LADIES WHO LUNCHEd

To celebrate our Zonta Club of Fredericksburg's 66th Anniversary a few of the club members were able to go to lunch and have a wonderful, socially-distanced, "no hugs" gathering. I can't wait until we can do these kinds of things again! Don't miss out on the opportunity to see all of our Zonta sisters at our next Membership Meeting to be held in the safe and sanitary home of Ginger Mitchell on Monday, September 21st at 6:30pm for Pasta Bella catered food. YUMMY!

Come to our next meeting to find out what this picture is all about. Liz and Barb will be excited to tell you all the details!

Zonta Says No and Advocates for Gender Equality

Gender equality is a basic human right and its achievement has immense socioeconomic implications. Yet, gender inequalities are deeply rooted in every society. Sustainable Development Goal No. 5 is to achieve gender equality and empower all women and girls. While progress has been made, no country in the world has achieved gender equality. Nearly 40% of women and girls, or 1.4 billion people, live in countries that are “failing on gender equality.”

Zonta and its clubs advocate gender equality and women’s empowerment through: The United Nations and the Commission on the Status of Women, The Council of Europe, USA Advocacy Action Center, and Zonta Says NO to Violence Against Women.

Let’s do our part – show we care – show our support – WEAR ORANGE ON THE 25TH.
