Dear Zonta Sisters,

I'm so excited to announce that our long-delayed membership drive is planned for our September 20th meeting! Details will be announced by the Membership Committee at our upcoming meeting on August 16th. Current plans are for a casual, relaxed get-together at the Golden Hub. At this meeting, we plan to share our mission, what we care about, a little bit of our history and answer any questions our guests may have. Our goal is two-fold: 1 - expand awareness of Zonta in Fredericksburg; and 2 - gain new members. Accomplishing either one will be considered a success!

So, who will you invite? How many of your friends and acquaintances have asked, "What IS Zonta?" Those are people you should invite! Think also about women who are relatively new to the area. They may know nothing about Zonta but might have the time and enjoy working with a group who has been supporting advocacies in Fredericksburg since 1954! Our mission of empowering women through service and advocacy strikes a cord for many women! So start a list of names and addresses of those you'd like to invite. We'd like you to share some of your names at the meeting and why you're inviting them. Blank invitations will be available and if you fill them in with names and addresses at the meeting, the club will provide the postage!

And speaking of our August meeting, the program will be on Alzheimer's, a disease which, unfortunately, is striking more and more families. As always, please feel free to invite anyone who might be interested as your guest.

*Yours in Zonta,
Karen Weinheimer,
President ZCF*

It's the 67th anniversary of The Zonta Club of Fredericksburg and we're really proud of that; the original 14 members always had a long-term vision for this club. It was such a detailed undertaking that to only do it for a year would not have been the best use of anybody's time! Thank you ZCF for sticking with it and staying on the path which helps to empower women around the world. Don't forget to wear orange on the 25th to show your spirit!

AN UPDATE ON OUR ZIMBABWE STUDENTS — Netsai Ndambakuwa

Annamerci and the school are so grateful and humbled by the Zonta Club of Fredericksburg's gesture of payment for her tuition. Continue to be blessed with your team. Without you she would have dropped school long ago back. Her wish is to continue working hard so that she makes everyone proud. All the teachers at Harare high school are thanking you so much. Keep well and stay blessed. Stay safe too.

Sending prayers and love. Annamerci has a report dated June 4, 2021. That's when schools closed again. She did well as mostly she does despite the disturbances she experienced this COVID era. We were supposed to re-open schools on June 29th but due to the increase in number of cases we are under strict lockdown conditions again so all schools and Universities are closed. We are always praying for healing and good health. Thank you again!

Girl Scouts have a Good Time at Twilight Camp

The July and August Twilight Camps were held at Lady Bird Park, one at Pavilion #1 and the other one at the Tatsch House. In July, the girls went on the Nature Trail to start working on a Hiking Badge. We also had Karen Jordan explain to the girls about the evolution of the butterfly from egg to caterpillar to a cocoon to the butterfly and how they work in the pollination of flowers and plants. The girls and their parents had a great time and the weather was as perfect as it could have been. It was cool with a strong breeze blowing the entire evening. The August Twilight Camp was very different as we had a "Game Night". The girls and their parents were served a wonderful spaghetti dinner prepared and served by our Zonta sister, Liz Wunderlich. Liz created two different crock pots of spaghetti, one for the girls and the other for the adults. We then played games of corn hole, jenga, connect 4, there were jump ropes and volleyballs and other games too. Topping off the evening, we had an ice cream sundae bar with every kind of topping that you could imagine. We had asked that each girl bring a friend and we had two friends attend. They were both 4 graders so that would give us a few more older girls for the Troop. It was a great evening of fun for the girls and leaders.

SAVE THE DATE --- SEPTEMBER 26TH THE PLANNED DATE FOR THE GIRL SCOUTS OPEN HOUSE

We will be celebrating the anniversary of the Girl Scouts with a look-back into the history of past members and their paraphernalia of the day. If you were a former Girl Scout, contact Bonnie Baseke to see if she can use your volunteer spirit for the day or maybe you are still in possession of some Girl Scout historical items: Have your old uniform? Your old sash? Any pins or badges? Maybe you have an old craft project or handbook? **Call 830-889-1968**
